Aker Kværner Technology

To whom it may concern

This is to certify that Mr. Hazem El Leithy of Petroconsult, Cairo, Egypt, during July 2002 in Norway has participated in the following as a part of his offshore training;

Gas Technology
Jacket fabrication at the Aker Verdal Yard
Fabrication of Grane Topside facilities at Kvaerner Egersund Yard and Kvaerner Rosenberg Yard
Manufacturing of offshore pumps and subsea facilities at Kvaerner Eureka
Knowledge based engineering design
Front-End Processes & Methodology
EPC execution model

Mr. Hazem El Leithy has showed an eager interest in all subjects enabling him to carry out his tasks as Aker Kvaerner's Egypt agent in the most effective manners.
